

Accessibility Statement for Air-MedAssist

At Air-MedAssist, we are committed to providing an accessible and inclusive experience for all visitors, including those with disabilities. We understand the importance of making our healthcare services available to everyone, regardless of physical, visual, hearing, or cognitive challenges.

Our dedication to accessibility extends to our website, where we strive to ensure all individuals can access information and services seamlessly. We are continually working to enhance the accessibility and usability of our website and adhere to the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standards.

Accessibility Features on Our Website:

- **User-Friendly Navigation:** Our website structure is designed to be straightforward and easy to navigate, with clear headings and simple menus.
- **Keyboard Navigation:** Our website is accessible using a keyboard alone, ensuring that all users can navigate without relying on a mouse.
- **Screen Reader Compatibility:** We work to ensure compatibility with screen readers, providing text alternatives for images and important content.
- **Font and Color Adjustments:** Our design uses high-contrast colors and accessible font sizes to improve readability for all users.

Ongoing Efforts and Feedback

We are continually working to improve accessibility on our website. If you encounter any barriers while using our site or have suggestions for improvements, please don't hesitate to reach out. Your feedback is invaluable to us as we strive to provide a fully inclusive experience for all visitors.
