

HIPAA Compliance Statement for Air-MedAssist

At Air-MedAssist, we understand the critical importance of maintaining the privacy and security of your health information. We are fully committed to complying with the Health Insurance Portability and Accountability Act (HIPAA) and all other applicable laws governing patient data privacy and confidentiality.

As part of our commitment to protecting your health information:

- **Secure Information Handling:** We have implemented technical, physical, and administrative safeguards to protect your health information from unauthorized access, disclosure, alteration, and destruction.
- **Privacy and Confidentiality:** Only authorized personnel have access to your personal and medical information, which is used solely to provide essential medical transportation services and to ensure continuity of care.
- **Training and Accountability:** Our team is trained regularly on HIPAA regulations and the importance of confidentiality. We maintain strict policies to ensure that all handling of health information meets legal and ethical standards.
- **Limited Information Use:** We collect only the information necessary to deliver high-quality, safe, and reliable medical transport services. We do not share your personal information with third parties without your consent unless required by law.

Questions or Concerns?

If you have any questions about our HIPAA compliance practices or if you believe there has been a breach of your health information, please contact us. We take all concerns seriously and are here to address your needs.
